

Dear Wine Friend

Robertson Wine Valley proudly presents its 10th Hands-on Harvest festival taking place in March 2018 and offers families a chance to experience the magic of harvest. (date to be confirmed)

After the huge success we enjoyed in the first Harvest Family Market at Viljoensdrift in 2017, we will be hosting it again on a Sunday.

We are busy handpicking the freshest foods and rarest finds to share with our visitors and we'd like you to be a part of a morning of fun, laughter and great conversation! This will also be a great opportunity to showcase our local markets that take place throughout the year.

If this sounds like a great idea, then please fill in the back of this form and email to events@robertonwinevalley.com to reach us no later than Friday, 9 February 2018. If you know of any other products that you think we should consider, kindly send us their details.

Please take note that we have limited space available for exhibitors, and that we will look at local vendors first. We also do not want a lot of the same goods, so we will choose a variety of exhibitors selling different goods.

If you have any queries, please do not hesitate to contact the office on 023 626 3167.

Regards,

Beatrix Galloway
Marketing Manager – Robertson Wine Valley

FAMILY MARKET

PLEASE NOTE THE FOLLOWING CONDITIONS of PARTICIPATION:

- Participation is by invite only and only products that have been pre-selected will be allowed to participate at the market. Limited space available.
- The focus of the market is on local and seasonal produce, but a small selection of “imported” goods will be allowed, if the Robertson Wine Valley is not able to source these locally.
- The producer must please be present to sell his own produce. If for any reason the producer cannot man his own stall, a close member of family or someone directly involved in the production process will be allowed.
- The products must be of outstanding quality and hygiene standards and special attention must be paid to packaging and presentation. *If you are interested in bio-degradable packaging, please contact us for a supplier's details.*
- All food-producers must offer tasting samples and include complimentary recipes where possible.
- The Robertson Wine Valley will provide bins as tables, rubbish bins, umbrellas as well as seats for visitors. We will sell paper bags – please assist us by bringing your own packaging as far as possible – especially if your product needs packaging.
- The exhibitors shall bring their own WHITE table cloth, sufficient change, ice, wet cloths, double adapters and anything else needed.
- Please bring own cash box (each exhibitor responsible for his own takings).
- The area has only a few electrical points, and exhibitors in need of such a point, must stipulate it on their form when registering. Exhibitors are to bring their own leads and NO other additional electrical points will be available.
- The allocation and placement of stalls is at the sole discretion of the Robertson Wine Valley and no debate will be entered into. Especially not on the day of set-up.
- The Robertson Wine Valley undertakes to market the regional market to both the Hands-on Harvest festival patrons as well as the local community to ensure as much publicity as possible. However, exhibitors are also required to spread the word amongst friends and family.
- FEE: We rely on an honesty-system and all exhibitors are to pay 20% of their turnover to the Robertson Wine Valley. This needs to be done before the premises is vacated and your co-operation in this regard is much appreciated, as we undertake big expenses for the market.
- All exhibitors participate at their own risk. Neither the Robertson Wine Valley, owners of the premises and/or their staff will be responsible for any injuries/losses that may occur.
- Set-up time: Sunday, 12 March at 08h00. Special deliveries can be made on Friday if so arranged with the Robertson Wine Valley (eg Fridges etc)
- Closing time: Sunday @ 14:00. We urge you to stay available at your stall till 14:00 and then pack up, to give the visitor a full experience. If you sell out before the end time, neatly pack up and are allowed to leave. Clean up around your stall before you leave.

Complete the form in capital letters, so we can easily read.
